Leave us alone so I can be with my man. You shouldn't really be here because we shouldn't really be here. Here is a hotel room off Ventura Boulevard and we've rented it for just a couple hours. That's all the time we have before we have to get back to our offices and then our partners. Even though it's exciting, I wish we were doing this is the open.

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm an all new person ready to take on the world. Say that you're ready for me and more like me?

time to party and chow down

Yes, I'm a party girl, and have been one since my college days. After I got married, it slowed down but it didn't stop. My husband and I would party and get drunk and end up in another bed. But that got old fast, especially after we sobered up and realized what we were doing.

When I fucked those other guys, we just did it missionary and doggie and only in my pussy, although one did try to stick a finger in my butt. No way, that's reserved for my husband, I said at the time. I guess you could call it cheating, but when you get lonely for months at a time and your husband doesn't want to touch you anymore, what's a girl gonna do? And who's she gonna do it with?

anywhere we can

When people cheat, the last thing they want is to have their names and faces out in public. While these letters are not signed, they are submissions we print because cheating is a way of life.

Casey and I are married, but not to each other. Yes, we fool around on our spouses, but you know there have to be reasons. We have a hard time finding places to get together since we can't do a hotel every time we get the itch. For a while we stopped seeing each other sexually, but enjoyed each other's company so we'd meet for lunch now and then.

It had been a while since we had been together and after we lunch one day, all it took was an innocent touch of hands to cause us to jump on each other. We began to kiss and stroke each other in this secluded section of the boardwalk. Pretty soon we became oblivious to everything around us. I had his fly down and his cock out and began sucking on it. This drove him wild and soon he was determined to be in me, but I was afraid that people would start coming into our section of the boardwalk.

My pants and panties were down around my knees and his dick in me in short order. When we became aware there were people in the area he would pull out of me and act like nothing was going on. Then people would leave and soon we were back to what we were doing earlier. Before long both of us decided we needed to finish properly. We gathered our items and raced back to his truck.

We drove around and found a less busy area and then Casey laid into me, pumping me until we were both relieved. We have fucked in parking garages, parking lots, parks, roof tops, and even on his downstairs patio standing me up, plastered against the house while our spouses were upstairs watching television after we all had some dinner together.

I have even pulled out his cock and stroked him while we were standing at a winery bar tasting wines. He has fingered me when we had his family and friends at our house, and he's pulled me into the bathroom twice to fuck me. Our fire and desire for each other outweighs the thought of being caught. I hope that it stays this way, but I'm afraid it's inevitable that we'll be caught.

work tryst

Corrine and I work at the same office. She's a very married blonde with long legs, great ass and great boobs. We got to talking and found out that she wasn't as happily married as she led on to be. One day, we were talking and I was complaining about my girlfriend and Corrine suggested we have an affair since we were both unhappy. I was floored. Never did I imagine that I'd have a chance to sleep with a lady like this. We decided to have an afternoon tryst the next day.

Today is Thursday, one day later and we went to "lunch" and parked outside my apartment. We went in and immediately started kissing and petting. She was wearing a little black dress and I pulled out one of her boobs and bit and sucked on it. Then I slipped a finger inside her neatly trimmed blonde pussy as she grabbed my cock. We stumbled over to the couch and started to French kiss. Then Corinne suddenly started undressing herself leaving only her thong panties on. I got naked, rock hard, and we started another wet kiss.

I whispered into her ear that I wanted to fuck her bad. She said "take me now." just like in the movies and so I laid her down roughly on the floor and we got into a sixty-nine position. I started eating her pussy and playing with her hole. I just licked and licked until she came. And it felt great having my cock in her mouth as she moaned and groaned through her climax.

We got up and went over to the couch. I spread her legs and lifted her ass in the air. I took my cock and slid it inside her moist pussy, telling her how beautiful she was and how much I'd wanted to fuck her. I started gently, but she wanted harder! I rammed into her harder, telling her that I was going to fuck her as much as I wanted!

Next I laid her face down on the sofa and penetrated her again from the back this time. She kept telling me to fuck her harder which I did and she came hard, stifling her screams into the seat cusion of the couch. I felt me cumming too and I pulled out and shot rope after rope of hot sticky cum on her ass and back. We fucked dozens more times during the year. It lasted until her husband found out and we had to stop. But not for too long!

NASTY HOUSEWIVES PRESENTS

To The Editor,

I can't believe what I just saw. I saw a sex goddess. And she was on the cover of your last issue of Cheating (Housewives). A woman that could make me hard and then cum just by saying my name You know who I'm talking about. Saana. There's just something abut a Scandinavian woman who likes to fuck. That's what they're was made for. Her bust is perfect and I love her long muscular legs. And that great blonde hair.

Why? Because I'm married to an Italian with dark hair and I think she's growing a moustache. My past girlfriends have all been blonde and Swedish, but I went and married the 'exotic' looking type, and all was good for a while. But when the fucking soured, I went back to cheating with blondes. And if she had a Scandinavian accent, then all the better!

wet sex

It was a lazy Friday morning and I was awakened up by the brush of a hard nipple of my wife's breast grazing me across the face as she climbed over me. I knew Kathie had to shower before she left for work, but I wanted to fuck her like we did the night before. But this morning we didn't have time, so I could only admire her round ass jiggle as she walked out of the room naked. After a few I few minutes I got out of bed as well. pulled on my shirt and boxers anyway, and headed to the bathroom to use the toilet.

As I approached the bathroom, I heard the water of the shower. I thought now I might get some action this morning after all. I opened the door and pulled down my boxers relieving my bladder of its pressure. After I finished, I pulled aside the shower curtain and climbed in. The water sprayed me in the face and I couldn't see for a second, but I heard a female gasp behind him. I turned around, wiping the water out of his eyes and opened them to see the dripping naked body of Kathie's best friend, Annette. I stared at her for a good five seconds before realizing what I was doing, and immediately averted my eyes.

“Wow, Annette! I'm so, so sorry. I thought it was Katie in here.“

I was cut off by a finger pressed to my lips, telling me to shush. Her gaze went down my body. I realized that her line of vision had stopped right at my cock, which was standing at full attention from being so close to this hot babe's naked body. Annette took a step closer, lifted her chin up, and gave me a small kiss on the lips. “Smile Elliot. I know you didn't mean to walk in on me, but you could stay for a little bit, couldn't you?” she said in a soft voice. I wasn't sure what to do. I loved Kathie, but here was her hot best friend; naked, wet, and asking me to stay. I just looked at her. Annette then wrapped her arms around my neck, kissing me more forcefully this time. I couldn't help myself as I reached around and grabbed a handful of her firm, round ass. Annette pulled back from the kiss, a sly smirk on her face. I smiled back, giving her ass another squeeze. Then, Annette dropped down to her knees, grabbed hold of my cock as she wrapped her hot, wet lips around it.

Once her tongue reached the base, she started slowly retracting her mouth, running it along the underside of my cock. Annette sped up, swirling her tongue over the head and jerking my cock with her hand. After several minutes of this, I was close to busting a load. I was about to tell her to stop but then she grabbed onto my ass and pulled me all the way in, shoving my cock down her throat. That's when I lost it and shot pearly strands of cum straight down her throat, which she swallowed heartily.

Now it's my turn, so I pull her up, lowered myself, and kissed her right on her pussy and flicked her clit with my tongue. I tongue fucked her for minutes, then shoved two fingers into her pussy as I sucked on her clit. I worked my fingers in and out of her tight pussy. I continued this until she was gasping again. I knew she was close, so I carefully positioned my fingers inside of her and began pressing on her g-spot as I continuously flicked her clit with my tongue. Annette grabbed me by the hair and shoved my face deeper into her pussy. Her wet, naked body tensed up, and she bit on her fist to stifle her moans as wave after wave of pleasure wracked through her.

I stood up and brushed her cheek. She was having trouble standing from her climax, but I held her up and looked into her eyes. Without a word, she turned around and bent over. She turned her head to look at me, and her eyes begged for me to fuck her. I stared at her marvelous, round ass for a moment. I smirked, and gave her a quick smack on her ass. I thanked her for the tryst and told her I'm gonna go, but I'll meet her here again tomorrow morning. She slapped my ass as I stepped out of the warm shower.

redheads to it better

At least that's what I've been told by all my lovers. One at a time or two at a time. They like the fire I bring to the bedroom. I think there is an extra chromosome in the hot file in our DNA genes. Well, even if it's not I want to think so and I've convinced many a guy that it is. Like these two that I'm about to fuck. They want to search for it.

Vanessa Lane

The first time I decided to try anal sex, I practiced a few times with a dildo, but I felt it wasn't right. Oh, it felt good, but I felt like it was cheating. So I convinced my husband that I wanted to do it. I don't think I ever saw his cock get hard as fast. When we did it, I loved it and now it's a part of sex no matter who I'm fucking.

> In her mind there was no valid, justifiable reason to date someone who she knew was going to be a liar from the very beginning; she had enough respect for herself to not date someone else's man.

Chelsey had only one hard and fast rule she lived her life by: Never, under any circumstances, never, ever, fool around with a married man. She'd been married and cheated on and she remembered all too well the pain it caused her. In her mind there was no valid, justifiable reason to date someone who she knew was going to be a liar from the very beginning; she had enough respect for herself to not date someone else's man. Because she was bisexual, the same theory applied to women as well. Women were slightly different in that she rarely, if ever, had a married woman trying to seduce her. Most women weren't after illicit sex and extramarital liaisons with random other women.

In her garden pulling weeds one day, Chelsey made an awkward move and ended up face down in her petunias unable to move. If it hadn't been for her neighbor happening along, she might have been there for hours. After a very brief stint in the local hospital, she ended in rehabilitation and physical therapy. They released her but with orders for a nurse to come visit her home for follow up visits and make sure she was getting insulin when and if she needed it and monitor her progress.

Itching to get back to her canvases and ready to assume more responsibility for her health, Chelsey started eating well and doing all the exercises they suggested she do for slowly strengthening her back muscles the minute she got home. Twice a week, whether she wanted it or not, a nurse was to come to check on her until the doctor released her. The first day Emilia showed up, Chelsey tried her best to be polite but it was more than apparent that she was warm, gracious, and a highly competent nurse as well. The two ladies had a rapport immediately. While she could have been in and out in twenty minutes, Emilia stayed for almost an hour, getting to know her new patient. Emilia was very personable, meaning she liked getting to know her patients in order to provide them with the very best care.

The two women hit it off immediately and seemed to become friends from day one. There was that connection, that intangible bond you get sometimes when you meet someone and you feel as if you've known them forever. Emilia hadn't even been coming two full weeks when Chelsey started looking forward to her visits.

One day, Emilia stopped by on a day she wasn't scheduled to visit. She said she just wanted to check up on Chelsey. It was that day that Chelsey realized that the chemistry she shared with Emilia was more than platonic. It was that night that Chelsey allowed herself to have her very first fantasy about Emilia. She lay in bed, tossing and turning, fantasizing about her new friend.

"Hey friend, come on in," Chelsey said as she opened the door widely to greet Emilia on her next scheduled visit. This time, she was wearing a yellow blouse and jeans that would be what she'd wear on a casual date with a man. She watched for Emilia's reaction carefully as she undid the buttons on her shirt to reveal a black lace push up bra as she listened to her heart. Emilia seemed to be oblivious to any sexual tension and went about her business professionally and reported that she would in fact be telling the doctor that Chelsey was cleared for release.

"I have other patients in the area and I would be more than happy to stop by and check on you every once in a while." Before the week was out, Emilia called and asked if it was okay if she stopped by. Chelsey was elated. She grabbed a bottle of wine, some cheese and crackers and set out a little tray. In the following weeks, the unscripted visits became more frequent, with Emilia sometimes stopping by on her lunch breaks, after seeing all her patients, and even on her days off.

Eventually, Chelsey knew it was time to reveal her true feelings. She decided she would do it with a painting. She invited her friend to her studio to reveal it. "It's not finished," she mumbled. As Emilia stared at the canvas, she could clearly make out two women who could not be confused for anyone other than herself and Chelsey in a very intimate, semi-nude embrace.

"What's it like," Emilia asked one day as she stared at her cup of tea, assuming Chelsey would know immediately what she was talking about. Chelsey did understand. The rapport they had built together was based on a certain level of non-verbal communication. "You mean being with another woman?" Emilia nodded. "Well, it can be the most tender, gentle, sensual experience you've ever had, in a way that no man could ever touch you, kiss you or satisfy you. It can be just as intense and frenzied as fucking a man. Mostly, for me, the difference is there is no end objective. You know when you're with a man that everything he does is with one goal in mind, to get to the fucking. With a woman, there is no such agenda; it's all about the journey, not the destination. Chelsey stopped in mid sentence. Emilia was breathing heavy, visibly aroused. She leaned in close and tilted Emilia's face towards hers, their lips virtually close enough for a kiss, making intense eye contact. "Are you okay?"

"Chelsey, you know, I told John about... I told him about the painting and everything. We aren't prudes by any means, we experiment like any other couple. He got really turned on when I told him. In fact, our sex life has been really great ever since I shared with him about us, I mean... you know what I mean. It's just that, I keep wondering what it would be like to, you know, I'm sure you know.

Over the next few months, their relationship took on a new dynamic. Emilia flirted, tempted, and teased and Chelsey was holding fast to her rule about not fooling around with a married woman. She loved the feeling of freedom she got the very minute she walked through the door, the ability to tell the truth that she didn't have with her other friends. Emilia knew that for all Chelsey's integrity, she would never cross the line.

One night, a little after one in the morning, Emilia, audibly upset, called Chelsey and said, "Sorry to wake you, but John and I had a really bad fight, do you mind if I crash at your place? I just can't stand the thought of sleeping next to him right now. I need to get out of the house and I . . . well, I just want to come there to be honest."

Within a half hour, she was in Chelsey's driveway and the key was under the mat as promised. She quietly let herself in and peeked in the guest room with towels on the end of the bed and a cute little gift basket of toiletries on the dresser. Tentatively, she walked past the guest room to Chelsey's master bedroom. Curiosity had gotten the best of her and she had to find out what it was like in real life. She was desperate to know what it was like to make love to another woman. She tiptoed in and folded her clothes in a neat pile as she undressed completely. Chelsey lay sleeping quietly. She pulled back the covers and crawled in bed, snuggling her body against the warmth of her friend's brown body.

This wasn't just about some random fuck with a stranger to get off. This was a woman she loved as a friend, cared about, shared with, and to whom she was strangely attracted. She wanted to experience the thing that she had tried to deny for months. There was no denying that her clit would throb and her pussy would get moist when she was with Chelsey. There was no denying that when she was having sex with her husband, she was thinking about what it would feel like to have a woman's mouth on her, licking her, tasting her, eating her, about how different it would feel.

She didn't have time to think too much about the ramifications of her actions. Chelsey rolled over and positioned herself over Emilia. Their

legs intertwined. Emilia reached up and pulled the t-shirt off Chelsey's sleepy frame and tossed it to the floor. She felt sexy and wanted in the moment.

Feeling more confident than she'd felt in a very long time, she reached up and placed her mouth on Chelsey's. Their lips gently parted and their tongues found each other's. Electricity shot through Emilia's body. Almost immediately, her pussy began to throb and pulse, getting wetter than she'd remembered in a very long time. A sound escaped her lips, one of pleasure and arousal. Chelsey kissed her back and their kiss became more passionate but still very, extraordinarily sensual. Chelsey kissed her way down Emilia's neck, tasting her skin, pressing her lips to the erotic hot spots Emilia had almost forgotten she had. Her body responded. She was writhing, twisting, panting and incredibly turned on.

Chelsey ran her hands over Emilia's full breasts, rubbing and pinching each nipple. She felt the soft hands of her new lover doing the same to her breasts, mimicking Chelsey's moves. Chelsey moving along Emilia's body again covering it with soft kisses as she went. Moving ever lower, she could feel the ribs under her skin, the torso moving up and down as she took deep breaths. Emilia's stomach quivered slightly as Chelsey dipped her tongue into her belly button. But that quiver turned to solid shaking when Chelsey reached her goal and ran her tongue along Emilia's cleft.

The taste was sweeter and cleaner than Chelsey could have ever imagined, like a fine wine that needed savoring. The desire to enjoy more of her lover's sweet nectar, Chelsey started to lick faster and then began thrusting her tongue deeper inside. She licked in the places she liked and in other areas as well as she watch for any reaction indicating what Emilia liked best, where her greatest pleasure came from. After just a few moments it became very apparent that Chelsey hit the right rhythm and place when Emilia grabbed both sides of Chelsey's head and pulled her in tight while letting loose with language that Chelsey had never heard from the woman before.

"Yes, fuck yes, that's it, right there, don't stop. Yes! Right there!" Emilia groaned. Having found the spot, Chelsey never slowed pace or changed her location, she just kept licking. All of her focus was on that one place. Chelsey just kept on flicking her tongue over Emilia's clit faster and faster. As she sensed her drawing close to cumming, she slipped a single finger inside her pussy, working it in and out slowly and Chelsey heard her Emilia's moans increase in both frequency and volume. Then she curled a finger and began seeking out the spongy mass that would be the g-spot. Locating it, she applied gentle pressure to her sensual mass of nerve endings.

That was all it took, Emilia cried out again. Chelsey could feel her friend's vaginal muscles tighten and begin trying to draw her finger deeper inside. Loud moans and tight muscles were joined by copious amounts of fluid were unmistakable signs to the more experienced woman – she had just given her willing lover her first whole body orgasm.

Slowly Chelsey leaned back, withdrawing her finger and licked it clean. Looking up at the limp form of her fully sated friend, Chelsey could only smile. Then as Emilia recovered, the transformation of her face was amazing. She could see her friend enjoy her new sexuality right before her eyes. The look of pure bliss brought tears to Chelsey's eyes as she leaned down and kissed Emilia deeply. That brought her back around to reality as she returned the kiss. She could taste herself on Chelsey's lips and tongue as they shared that moment.

Emilia imagined what it would be like to be with a woman but in her wildest imagination she had never thought that it would feel so excruciatingly erotic, so sensually sexual, and humbling in its warmth and pleasure. After a ten minutes of snuggling, the two release their embrace and Emilia slides her kisses down Chelsey body. She knows that returning the emotional and physical will make it all worthwhile.

is it play-time yet?

Like most women, I like variety when it comes to sex. I didn't realize that before I got married. That was too monotonous for me. I needed the variety.In the men I'm with; in the positions we try; and of course, the places we do it. Anything that's different is right by me. And once I get the urge, there's no stopping me.
